Donors want to hear from us about what we are doing and how they can help. Transparency is key when communicating with donors. We must use it to increase individual outreach and deepen relationships with donors. Nonprofits must reassure supporters that, despite this time of uncertainty, we continue to do important work and offer hope in the community.

**Free Webinar – August 4, 2020:**

### **“Reframing COVID-19: A Unique Opportunity to Grow Relationships with Donors”**

The Telluride Foundation and Denise Clark, Inc. are excited to announce their next free webinar to be held on Tuesday, August 4, from 12:00 to 1:30 PM. This webinar, second in a three-part series, focuses on deepening donor relationships during the COVID-19 crisis.

Donors want to hear from us about what we are doing and how they can help. Now is not the time to keep one's cards close to one's chest. Transparency is key when communicating with donors. This is such an unusual time for all of us. We must use it to increase individual outreach and deepen relationships with donors. Nonprofits must reassure supporters that, despite this time of uncertainty, we continue to do important work and offer hope in the community.

Please join us to learn how to grow your relationships with donors and build your fundraising confidence. If you or someone you know is interested in attending this free webinar, please register in advance at:

If you have a question about donor relations that you would like answered during the webinar, please email Denise Clark at [denise@deniseclarkinc.com](mailto:denise@deniseclarkinc.com). She will be screening questions in advance and selecting 4-5 to respond to during the webinar. The deadline to submit questions is Friday, July 31.

Please contact April Montgomery at [april@telluridefoundation.org](mailto:april@telluridefoundation.org) or 970-728-8717 for all webinar inquiries.
